

Edmonton Pride Seniors Group

.....

Coming together in 2013, Edmonton Pride Senior Group (EPSG) is a self-organizing group of volunteers dedicated to addressing services, programs and housing issues and barriers faced by Edmonton's LGBTQ2S+ older persons.

OUR GOALS

- Collaborate with supporting organizations such as Sage Edmonton, Pride Centre of Edmonton and others
- Ensure inclusive places and practices that reach isolated and lonely LGBTQ2S+ seniors throughout the senior sector, including programs, centres, and housing.

OUR INITIATIVES

- Participate in a tri-city program with Winnipeg and Saskatoon to reach and enhance the lives of lonely and isolated LGBTQ2S+ seniors.
- Use findings from local surveys to advocate to governments for appropriate services to our community.
- Build a 50-unit residence for LGBTQ2S+ seniors that builds and supports the community.
